Poppins Regular

Reversing hair loss has never been easier and more affordable with Dr. Hair, the UK's leading B2B provider of medical hair restoration treatments, now made accessible directly to you.

Body Text
Poppins Regular

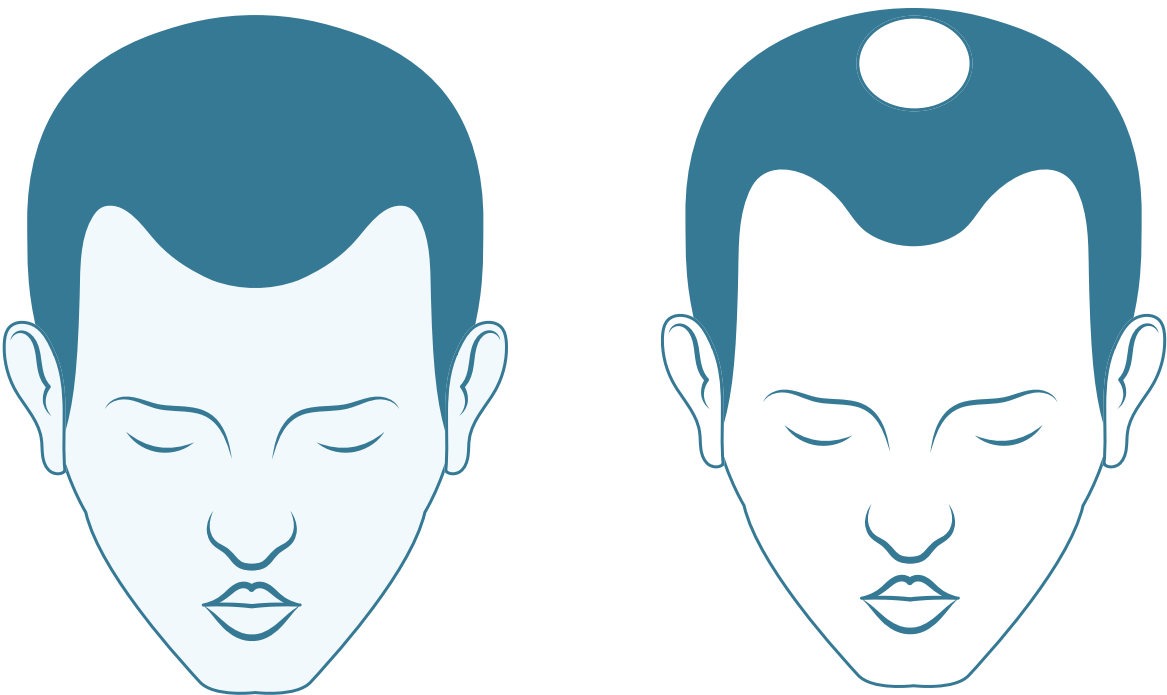

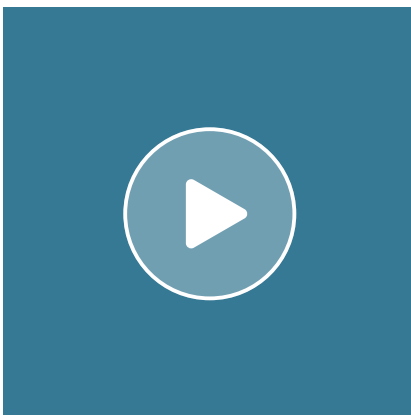

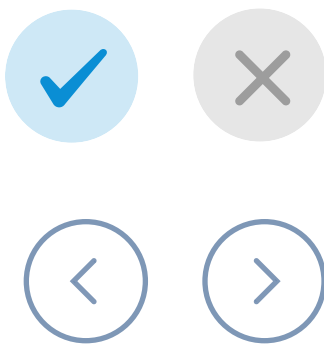

For decades we have been providing both branded and non-branded medical hair treatments to UK hair restoration clinics across the UK, including house-hold names such as [Wimpole Hair Transplant Clinic](#) who were established in 1975. We are renowned for high-quality medications thanks to our rigorous testing procedures that ensure all our products have the correct concentration levels to maximum results and patient satisfaction.
